

youth and family ministry notes

Rollin' Rollin' Rollin'

On Nov. 13 we created milestones as individuals and families during Sunday School. Have you been using them at home? One family (the Olivers) uses them at mealtimes. Each person chooses a stone to use to talk about their day. Another girl uses them with her friends when they come over. Let us know how you use your milestones!

Dara Stull, from Crossways Camps will be here on Jan 8 to share camp with us. She'll also be meeting with parents of 3rd-5th graders at 9:15 to share an opportunity for a retreat in March. Please come!

What is youth & family ministry?

Youth & family ministry is actually the ministry of the *whole* church! It's not about kids and teenagers, but about all of us. It's about passing on and living out our faith no matter what our age happens to be. Youth & family ministry is **cross-generational**. And that includes everyone.

We are learning this at Cross together, and I thank you for your discipleship. Pray for this ministry at Cross.

wheweeeee!!!

We're going sledding on January 15 for youth group! That means we need some people to help drive us to Camp McLean. We'll meet in Luther Hall at 12:30, share a short devo, and then head to camp for sledding fun.

1-2-3- Dodgeball!

If you like dodgeball AND want to make a difference in the world, then sign up for our Dodgeball Tournament, happening February 25 @ 11am. \$5/person with teams of 6 people. The money raised will purchase nets to keep people safe from malaria around the world. This was an idea of the youth group! Amazing!
