

CROSS CONNECTIONS—OCTOBER 2023

Dear Siblings in Christ,

My family has recently begun a new journey. It started out simply and innocently enough. When one of us brought home a fish from the Jamboree in May we thought, “Well, it will last a few weeks.” Then we bought a small aquarium with a filter for it. And, of course, it seemed to love it. Then we thought we should go and buy a bigger aquarium and get it some companions. It seemed that a 10 gallon tank should suffice.

Oh, but you head down that road and you read and listen and learn. We walked into the pet store ready to buy that 10 gallon aquarium, only to be told that a goldfish – a single goldfish – requires at least a 40 gallon tank by itself! It turns out they tend to live for several years and grow – to as long as 12 inches!

We came home with a 55 gallon aquarium.

It didn’t end there. Now we are learning about filters, water heaters, substrate, and decorations. I always imagined you just put it all together and filled the tank and, voila! You’re ready for fish! It turns out, though, that the tank takes time to cycle and get the proper balance of ammonia, nitrites, nitrates, and so much more before you can even begin to add fish. Talk about confusing and oh, so frustrating!

Our faith can be just as confusing and frustrating. When we are children, faith seems so simple. We learn that God made the earth and everything in it and Jesus died for our sins. As children, we believe because we are told – not because we understand. As adults, sometimes we think faith should be just as simple. We say the Creed on Sunday and that should be enough.

Then life hits us.

Those simple statements of faith don’t get us through the hard times – the scary doctor visits, the lost jobs, divorce, death. That’s when we learn that we need to know more about God and how God walks with us. It’s in those times that we want to turn to God, but we just don’t understand how. We don’t have the tools.

This is why we bring our kids to be baptized, then to Sunday school, and then Confirmation. That need for faith is why we say, over and over again, that Confirmation is not graduation. We never stop learning. We never stop growing. Teenagers are learning so much about life, and if they have no foundation in faith they have no way of growing in God. As adults, we think we have learned it all. We are busy working and raising families. We don’t have time for God. Until we need to make time because we *need* God.

If that time comes and all we have is that Sunday school understanding of God and Jesus, we will flounder. We will be confused. We will be frustrated.

A while ago, I talked about Jonah in a sermon. We all learn, when we are kids about Jonah spending time in the belly of the whale, but if we stop there, we are robbed of the story of running away from God and God bringing us back. If we leave it at a cute story of a man in a whale, we miss the chance to see God’s wonderful grace at work.

Our faith must continue to mature. And for that to happen, our understanding must continue to grow. That growth comes from spending time reading our Bibles, studying with others, and prayer. It means we must make time for God and God’s Word in our lives.

CONTINUED—FROM THE DESK OF PASTOR JOHN

All of that extra work my family must put in to get our aquarium to be a thriving place for fish will pay off for years to come. In the same way the extra work we are called to put into growing our faith will surround us with comfort when we sorrow, strength when we are troubled, and courage when our lives are in turmoil.

Please bring your kids to learn here at church. Bring your teens to grow in God. Come to church. Participate in Bible studies. If we are missing a class or program that you would like to see, talk to me or a member of the Mission Council. And when you are at home – make time for God in your quiet times.

Discover the wonder of a deeper faith.

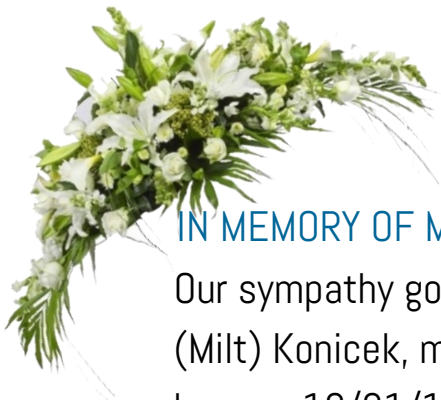

In Christ,
Pastor John

MISSION COUNCIL (Page 6-8)

Present: Pr. John Brink, President - Andy Johnson, Vice President - Ryan Jazdzewski, Rachel Bennett, Joyce Etter, Secretary Patty Oldenburg.

Excused: Claudia Kreuzscher

Guest: John Oldenburg

6:35 – Called to order.

Opening Prayer – Joyce shared a devotional from the book “Devotions for Church Leaders and Small Groups”, by Lynne Modranski, and led us in prayer. Rachel will share a devotional in October.

MOTION – by Ryan, second by Rachel, to approve the minutes from the August 10, 2023 meeting. –
Approved

Building & Grounds Report –

John Oldenburg gave a report on the current Building & Grounds projects.

- **Electronic sign** – The B&G committee, along with member Marie Way, was given the task of purchasing a double-sided electronic sign to be placed in the front of the church near the current signage. The committee physically evaluated the placement of a sign and concluded that for ideal visibility, it is best to have two separate single-sided signs. This would allow for the usage of the existing stone wall. John presented a drawing of the recommendation. Council unanimously liked the idea and look of the two signs. The committee will now get bids for the project. There is currently \$17,000 in the electronic sign fund.
- **Snow Removal** – The committee has received two quotes from Reesman and Wanasek companies for parking lot, driveway, and sidewalk snow removal for the 2023/2024 season. They are waiting for a bid from Augies. A decision will be made at their September meeting.
- **Damaged Light** – The damaged light in the parking area in front of the church has been repaired. John will make sure to check that it is working correctly.
- **Stained Glass Windows** – Brian & Terry Erb have volunteered to chair this project. There are currently six stained glass windows displayed in the Narthex. Each window has a separate bidding sheet. The minimum bid for the large windows is \$70.00. The minimum bid for the smaller windows is \$40.00. The bidding will end on Sunday, September 24th. A decision will be made at that time on how to proceed with the sale of the other six windows. There are twelve windows in total.
- **Painting** – John reported that member Ken Krause has finished his volunteer painting of the outside window frames, the outside of the storage room door and the air conditioning unit by the playground. Ken’s generosity has much improved the appearance of the building. Council will send a thank you to Ken.
- **Sanctuary A.C. Units** – John reported that there were two A.C. units in the sanctuary that were not working. Jim Mucci volunteered his expertise to combine the working parts of the units to make one of those units functional. The second unit will be repaired by Faust in the Spring. Thank you to Jim!
- **Roof Inspection** – Bobbi informed the B&G committee that our insurance underwriter has taken drone pictures of the roof and are questioning its condition. The committee will conduct a formal inspection and get back to the insurance company. John is completing the requested questionnaire.
- **Nursing Room** – John & Patty Oldenburg will make improvements to the Sunday School classroom that has been chosen as a nursing room for mothers. A chair will be purchased or provided. The clear glass in the door will be frosted and a curtain for the large hallway window will be installed.

MISSION COUNCIL—*Continued*

Pastors' Report:

Pastor John shared that he helped Bob install a camera near the parking lot door, and he installed internet in the choir room.

He is encouraged by the young families that have been visiting Cross and by upcoming scheduled baptisms.

Ginny Richards, our faithful long-term organist, is still recovering. She hopes to come back to share her gifts soon.

Pastor will be participating in the Southern WI Conference meeting. This is a time for churches to get together.

Confirmation update; There are six 9th graders that will be confirmed in October. There are currently three 8th graders and nine 7th graders enrolled in confirmation class.

After Pastor's appeal for additional funds for the Discretionary Fund on Sunday September 10th, he received \$600.00 from the congregation.

The RIC annual meeting will be held on November 11. The theme is "We Love All." It will be held at Christ the Servant Church in Waukesha.

On a recent trip to Iowa, Pastor John visited Camp Courageous. This is a camp for people of all ages with varying disabilities. He is considering this camp for a 2024 confirmation mission trip.

Major Ministries

RIC Discussion – As our Council liaison, Joyce had some questions about involvement, decision making, confidentiality, training, and funding. Andy stated that we will be following the synod guidelines. The council will be engaged but not micro-managing. Joyce shared a pamphlet about 'New Beginnings', a women's shelter in Elkhorn. It is also a safe space for LGBTQIA youth to go.

RIC Partner Update – Andy stated he is getting encouraging feedback from Cross members. He has received many positive comments from his article in the newsletter. It was suggested that he send a letter in the mail to all Cross members regarding the core team for RIC. There has already been some interest in core team participation. He is also scheduling two mission moments in the upcoming weeks.

Seminary Scholarship Fund – Pastor John provided us with a brief profile of his son Joe. Joe has been a member at Cross for over a year. He received a psychology degree in Italy in just three years. He has been called to the seminary. In late August Pastor John dropped Joe off at Wartburg Seminary in Iowa. Joe has made a request for seminary assistance funding. Pastor John recused himself from council discussion. After discussion a motion was made.

MOTION - by Ryan, second by Rachel to approve seminary assistance funding to Joseph Brink. -
Approved.

Pastor John will contact the seminary for the needed paperwork.

Continued on next page.

MISSION COUNCIL

Turkey Dinner 2023 – Marie Way and Terry Erb have agreed to be on board again for this year’s turkey dinner. The council chose the date of November 11, 2023 for the event. Andy will be in contact with Marie and Terry.

Minor Ministries

Business Board – Andy and Ryan currently must sign all outgoing checks at Cross. The Business Board has made and approved a motion that any checks written for \$500.00 or less will require just one signature, instead of two. This addresses the bottleneck of unsigned checks.

Stained Glass Window Proceeds –

MOTION – by Rachel, second by Joyce, to distribute all proceeds from the sale of the stained-glass windows to the Cross Discretionary Fund. – **Approved**

Soup Suppers – Tabled until October.

Thank You Notes – Andy & Patty
Pastor John closed with a prayer.
Meeting adjourned – 8:28 p.m.

Next Meeting – Thursday, October 26, – 6:30 in person, church library.

Devotions - Rachel

Respectfully submitted, Patty Oldenburg - Mission Council Secretary

CONNECTING TEAM

**Join us on Saturday,
October 28th from 9am to Noon.
Cross Lutheran Church
126 Chapel Terrace, Burlington, WI**

Meet us in the church parking lot for fun and treats!! If you are interested in participating and being a car host, send an email to Cross Lutheran Church at: crossbur@cross-church.org and we will get back to you with all the information you will need.

SERVING TEAM

On August 29th, 192 School Kits were assembled to be sent and later distributed by Lutheran World Relief (LWR) to countries in need of them. Thank you to Bonnie Flitcroft, Jim and Marilyn Hansen, Marlene Remer, Lisa and Steve Schneider and their grandchildren Abby, Ian and Sean Nie for their work on this project. Receiving a backpack filled with school supplies will enable a child to attend school because many families are too poor to buy the materials their children need to go to school.

Thank you for your September donations for Clarisse and Mapenzi who are the girls Cross sponsors through World Vision.

The October collection will be donations for the Thanksgiving dinners that Love, Inc. provides to needy families.

World Vision is a Christian Humanitarian Organization dedicated to working with children, families, and their communities worldwide to reach their potential by tackling the causes of poverty and injustice. Motivated by our faith in Jesus Christ, we serve alongside the poor and oppressed as a demonstration of God’s unconditional love for all people. World Vision serves all people, regardless of religion, race, ethnicity, or gender.

The following information was recently received from World Vision about Jessica who is one of the three girls Cross has sponsored. “We're happy to share that Jessica and her community are graduating from World Vision's sponsorship program! After many years of hard work, the community has reached their goal of becoming self-reliant. Your faithful support and prayers have played a key role in empowering Jessica's community to break the cycle of poverty, and now children and families are equipped with the tools and solutions they need to thrive long term. This is what sponsorship is all about-lives changing for the better!”

We will continue to sponsor Clarisse (17 years) who live in the Democratic Republic of the Congo and Mapenzi (11 years) who lives in Kenya.

Thank you members of Cross for your sponsorship of Jessica, Clarisse and Mapenzi this year. World Vision wrote that “your faithful sponsorship gifts mean your sponsored children are supported with essentials like educational opportunities that can help them grow into all God created them to be. What a blessing your support is for them!”

It was indicated that we can give with confidence because “In 2022, 89% of World Vision’s total operating expenses were used for programs that benefit children, families, and communities in need. World Vision provides hope and assistance to communities through our presence in nearly 100 countries.

ENDOWMENT FUND BOARD

The Endowment Fund Board of Trustees held a zoom meeting at 6 p.m. on September 7, 2023. They remembered Milt Konicek, who passed away August 26, 2023. Milt initiated, organized, and handled the legal transactions to establish and maintain the Endowment Fund of Cross Lutheran Church, Inc. In addition, he took care of the investing for the Regular and Spiegelhoff Endowment Funds and for the Seminary Assistance Trust for over twenty-five years. Gratitude was expressed for the countless donations of his time and efforts to leave this legacy to Cross Church.

Gifts to the Regular Endowment Fund are welcomed to honor birthdays, anniversaries, as memorials and for blessings received. These are lasting gifts because they are invested and only the annual earnings are donated. The recipients of the donations are charities and organizations that address poverty, hunger, homelessness, disasters, health needs and education in our local community, in our state, nationally and throughout the world. To give a gift, write out a check to the Endowment Fund of Cross Lutheran Church.

The next zoom meeting of the Endowment Board will be at 6 p.m. on Thursday, December 7.
